How Do you associate with ISDA Pty. Ltd ?

without being involved in another Bureaucratic Martial Arts Organization
contributing your hard earned money And then having 'others' tell you what to do ?

I have looked at the 'incorporated associations' and have concluded that
they just become another 'committee' and quickly turn into another 'recipe for Disaster and are fraught with
legal and Insurance problems such as
all Association Members are 'joint and severally' liable legally and there is no Legal 'firewall' of protection in
the instance of being sued all Association Executives and members are 'joint and severally liable legally'
regarding public Liability, the handling of membership fees and any fiduciary requirements.

ISDA Pty. Ltd. Associates by 'mutual association' in a 'joint venture'

scenarios In other words YOU keep your own legal Identity if you wish to be represented on the
ISDA web site there is a

1) FREE listing for qualified certificate (4) Sports Coaches

Current first-aid and blue Card

plus Legally Insured

Basically any one who has completed the Master Class is qualified for the

FREE web site listing.

2) If you wish to have a 'greater' web site presence YOU can purchase more 'space' on the ISDA web site to
promote and advertise your Club.

***\$50**

***\$80**

***\$110**

3) Part of Graham Healys area of expertise is Marketing & Advertising

If you take 'option' (2) this then Quality's You to participate in

GROUP ADVERTISING

which reduces the 'individual costs considerably'

This way you can 'associate' without the 'hassles of' becoming part of another Martial Arts Bureaucracy
ultimately being 'told what to do by a self appointed 'committee' of some description

You remain 'Your own Boss'

and deal with the ISDA on a 'one to one' Project by Project ' basis

MUTUALLY ARRANGED WORKSHOPS ?

In the Instance of 'mutually arranged workshops' etc the same principal applies across the Board.
ISDA simply becomes a 'facilitator' of our three prime objectives

RECOGNITION
EDUCATION
ASSOCIATION
